ABOUT THE PROMOTER

A success case-study

With more than 30 years of activity, our Association is proud to be part of a process that led our Football to many successes a bit all-over the world.

In a small country with a bit more than 10 million inhabitants, our results in Football are astonishing: best player of football, futsal in the world, some of the best coaches in the world, European Champions in Football and Futsal and many national championships of teams led by Portuguese coaches in several professional leagues!

Our consistent work in educating and giving the right tools so that our coaches could be successful, payed off!

ABOUT THE CLINIC

We are setting up a great football coaching experience where you will have the opportunity to learn from the best and live the most state-of-art experiences in Football!
